STATUS

Assignment in ** WEEK FOUR (4) LECTURE, LAB, AND HOMEWORK **

PWA-I: *Extra Credit* Opportunity (optional)

Here's your chance to get a **professional endorsement** from your instructor AND earn some ***Extra Credit*** at the same time!

STEP #1:

- Go to **LinkedIn.com** (<http://www.linkedin.com/>) (Professional Networking Site)
- Join LinkedIn.com by creating your own professional networking profile for yourself;
- Be sure to add **Full Sail University** to YOUR Career Profile ---under your "Education" section.
- Using the Search Box, find your PWA-I instructor's profile using the full name & spelling (Fialishia O'Loughlin);
- Once you see the instructor's profile, click on the **blue** "Connect" right next to their name in order to connect (Fialishia O'Loughlin);
- Send an **IM** to your instructor (foloughlin@fullsail.com (<mailto:foloughlin@fullsail.com>)) to confirm that you requested a connection on LinkedIn.com.
- Your instructor will accept your invite so that you can move on to Step #2 :-)

STEP #2:

After your instructor accepts your LinkedIn.com connection, please complete the remaining steps:

- While you are logged into LinkedIn.com, search/find your instructor's profile again.
- Scroll down to the bottom of my LinkedIn profile until you see an area called "**Recommendations**".
- Click on "**Recommend Fialishia**".
- Scroll down to the bottom of the screen---making sure you're on the **GIVEN** Recommendations tab (see top tabs across top).
- Select "**SERVICE PROVIDER**" and click "**Continue**".
- On the next page, choose the "**Course Director at Full Sail**" position from the drop-down list and complete the rest of the form. Briefly explain what you learned in PWA-I & why you would recommend other students take PWA-I with Fialishia at Full Sail University.
- Submit your recommendation and I will be notified. Next, COPY the SAME text you used for your LinkedIn recommendation.
- Go to **RateMyProfessor.com** (<http://www.ratemyprofessor.com/>) and search by *professor name* for "Fialishia O'Loughlin".
- Next Click "**Rate This Professor**". Then, PASTE & submit your recommendation on RateMyProfessor.com.
- Go back to FSO and Scroll UP to the FSO Activity Group called "**WDDBS Information**" and find the activity on FSO called "STUDENT COURSE EVALUATION"
- Click on the link provided for the Student Course Evaluation.
- Once the STUDENT EVALUATION page shows up, PASTE the SAME comments/recommendation you typed on LinkedIn.com and paste it inside the bottom text area. NOTE: You'll need to scroll down the page to see the text areas. (<http://www.ratemyprofessors.com/ShowRatings.jsp?tid=1903180>)
- Fill out the rest of the questions on the STUDENT COURSE EVALUATION (scroll up).
- Submit your Student Evaluation answers & take a "screen shot" of the confirmation screen as proof of your completion.
- Post your screen shot as an attachment to THIS activity and you're all done!!
- **Congratulations & thanks!** Once your LinkedIn recommendation and screen shot is received, you will receive credit, plus a professional endorsement from your Instructor online for the JavaScript & Web Application Development skills you have acquired over the last 4 weeks. Happy networking!
